

1860

Our horses look and feel very well two or three are injured pretty bad. We are getting ready to start Wednesday sometime. It is very dry here the grass not very good yet. The last R. Road here was on we traveled for 8 hours at the rate of about 300 jolts an hour. You can write to Fort Kearny if you write right away or Fort Laramie which is further on. The party are all in fine spirits and start for the plains tomorrow.

So Good by be sure and write. I have not read this over to correct the mistakes

Ever Yours
